George Barna's research has led him to conclude that for many people, "What you believe by age 13 is what you will die believing." In Confirmation, we are making disciples by developing the biblical world view in kids, leading the way to a faith relationship in Jesus.

### **Course:**

*Confirmation began in December. Every week, students completed readings in Luke and Acts 1-3, following the history of Jesus' life through the early church. The Bible reading and homework questions based on Jesus' teachings prepared students for the next topic. This year, the class was cut short due to the pandemic.*

*Here are the topics covered:*

"You are God's field, God's building. By the grace God has given me, I laid a foundation as a wise builder, and someone else is building on it. But each one should build with care. For no one can lay any foundation other than the one already laid, which is Jesus Christ." 1 Corinthians 3:10-11
